

JUST PLAIN IRON BEST FOR BLOOD COST LESS

Twelve Ounces Acid Iron Mineral Costs About a Dollar and Goes Farther—Is Stronger, Too.

NATURAL IRON, HIGHLY CONCENTRATED IS BEST

Instead of taking a pill or a dose of some prepared remedy which perhaps contains alcohol or a blasting cathartic you don't need, why not get a bottle of medicinal Acid Iron Mineral, a highly concentrated natural iron, testing over 10 degrees specific gravity.

A bottle of Acid Iron Mineral costing a dollar contains twelve ounces of strong, highly concentrated, natural medicinal iron. So powerful, though harmless that a few drops in a glass of water makes a dose. It is cheaper, and is a natural tonic one need never be ashamed of taking.

It is put up in six and twelve ounce bottles for individual and family use by the Ferrodine Chemical Corp. and their trade mark, "A-I-M" on bottle and carton is your guarantee of strength and quality. It is never sold except in special bottles or containers, ranging in size from doctor's emergency kit 2 ounce vial, to barrels which are sold to medicine manufacturers, half and one gallon bottles for physicians and hospitals.

Get a 12 ounce bottle. Pour a few drops, say half a teaspoonful, in a glass of water and note how quickly it drives out poisons from the blood, strengthens and tones you up, brings back the color and sparkle to cheeks and eyes, and banishes rheumatism complaints, and that tired, weary, no-good feeling.

You like it this way, too and its stronger, cheaper and better for you. Absolutely no alcohol or dope. It doesn't disturb the bowels and yet it speeds the appetite and aids digestion. Get a bottle from your druggist today.

Tanlac, the master medicine, is sold exclusively by J. F. Mackey, Lancaster; Peoples Drug & Grocery Co., Heath Springs; C. O. Floyd, Kershaw.—Adv.

AS SWEETSER SEES SNOBBISHNESS ROW

Camp Green Commander Gives Reason Why He Can Afford to Eat With Privates.

Charlotte, N. C., Dec. 17.—While Senator Overman is making efforts to rid the army of snobbishness, if it exists, and is quoting for the purpose an instance occurring in a Southern camp where an officer declined to attend a social function because there were privates invited, Brigadier General Sweetser, Camp Green, has settled the question so far as he is concerned. General Sweetser was asked by the Rotary Club of Charlotte as to whether or not it would be proper to have an enlisted man at the Rotarian luncheon at the Selwyn Hotel.

General Sweetser, who is commander of the Fifty-first Depot Brigade, replied:

"I expect to go into the trenches with him, and I can certainly sit at the table with him."

RHEUMATISM.

Why will you suffer from this most dreaded disease when L-Rheumo has proven the greatest remedy for the past 25 years? Thousands of people testify to its wonderful cures. This famous prescription should be in your home. Have it ready when you feel that first pain. Ask our dealer to show you our money back guarantee. For sale by The Standard Drug Co., Lancaster, S. C. 11-1f.

Catarrh of Throat

Miss Amalie Ruzicka, 1449 South 16th St., Omaha, Nebraska, writes: "I have suffered with catarrh of the throat. I caught cold and it settled in my throat, and I coughed badly and was very weak. I could not sleep and had no appetite. I had two doctors, and had taken so many different medicines and found no help. I thought I will have to give up; but at last my mother read about Peruna, so I thought of trying that great medicine Peruna. I got a bottle of it and in about four days I almost stopped coughing, and after a while I surely found relief, and from that time we are not without Peruna in our home."

Could Not Sleep No Appetite Now Well. We Always Have PERUNA in the Home.

Those who object to liquid medicines can procure Peruna Tablets.

NEW KITCHEN CARD TO URGE MORE ECONOMY

Porkless, Wheatless and Meatless Meals Must Be Served If We Win the War.

Washington, Dec. 13.—A sugar ration of three pounds for each person a month, a porkless day and one wheatless and meatless meal a day will be recommended to householders in a new kitchen card soon to be put out by the food administration. Observation of wheatless and meatless meals will be asked in addition to the wheatless and meatless days called for now.

The normal consumption of sugar in the United States has been more than seven pounds a month for each person. If the new directions are followed universally it will cut its use to below half.

The cards will caution against hoarding foodstuffs in homes, pointing out that the practice is not only selfish, but that it contributes to high prices.

The reverse side of the card carries a message of householders on the world food situation and the duty of America towards feeding the allies.

Situation in Europe.

"The food situation in Europe," it says, "is far graver than when the preliminary survey of the food supply of the world for this year was made. We have an abundance for ourselves and it is the policy of the food administration by the prevention of exports, to retain for our people an ample supply of every essential foodstuff. The harvests of our allies have proved less than we had contemplated and the great curtailment of shipping by the submarine during the last few months has further prevented them from access to remote markets.

"Beyond the demands of the allies there is a call upon us by the friendly neutrals for food and, if we can not at least in part respond to these neutral calls, starvation on an unparalleled scale must ensue.

Food Will Win War.

"Food has taken a dominant position in the war, and we must ask the American people to sacrifice far more than we at first thought necessary. We have exported the whole of the surplus of wheat from this harvest after reserving to ourselves an amount sufficient for our normal consumption.

"The allies today ask us for 25 per cent more meats and fats than we consider our monthly production permits us to send them without encroaching on our own supplies. Due to the shortage in shipping our available sugar supplies must be less than normal from the present time forward.

"Every particle of diminished consumption by the American people is one particle more for the soldiers, men, women and children of our allies and for the starving people in other countries.

"If we are to reduce the consumption of the few products which we should export abroad we will eat a larger proportion of many different foodstuffs which we can not export."

SHUT DOWN FORCED BY FUEL SHORTAGE

Mills Manufacturing Company at Greenville, Employing 500 Operatives, Suspends.

Greenville, Dec. 17.—The Mills Manufacturing Company of Greenville, employing about 500 operatives, has been forced to cease operations for an indefinite period on account of coal shortage, the management announced yesterday. Other mills in the Piedmont section are in a predicament and unless relief comes immediately it is stated that several will be forced to close down.

Dr. Ferdinand King, New York Physician and Medical Author, Says:

EVERY WOMAN EVERY MOTHER EVERY DAUGHTER NEEDS IRON AT TIMES

To put strength into her nerves and color into her cheeks.

There can be no beautiful, healthy, rosy-cheeked women without iron. The trouble in the past has been that when women needed iron they generally took ordinary metallic iron, which often corroded the stomach and did far more harm than good. Today doctors prescribe organic iron—Nuxated Iron. This particular form of iron is easily assimilated, does not blacken nor injure the teeth nor upset the stomach. It will increase the strength and endurance of weak, nervous, irritable, careworn, haggard looking women 100 per cent in two weeks' time in many instances. I have used it in my own practice with most surprising results.—Ferdinand King, M. D.

NOTE: NUXATED IRON recommended above by Dr. Ferdinand King can be obtained from any good druggist with an absolute guarantee of success or money refunded. It is dispensed in this city by all good druggists.

Announcing A Change In PRESS HOURS Effective January 1st

The News will go to press early Tuesday morning and early Friday morning, beginning **JANUARY 1**, in order that the paper may reach all its subscribers on the day published. This change will necessitate a "hurry-up" program for our advertisers in getting their "copy" in the office.

"Copy for ads in the Tuesday edition must be in the office not later than **10 O'CLOCK MONDAY MORNING**, and for the Friday edition not later than **10 O'CLOCK THURSDAY MORNING**. In order to consistently co-operate with our advertisers, it will be necessary to maintain this rule.

We believe the advertisers will realize that this slight change in Press Hours will work out to their advantage, as it will enable them to advertise "Specials for Saturday" in the Friday paper.
